Mentoring Research and Support Enhancement Option:

Organizations have the option to participate as a site for a 1-year mentoring intervention research study. To participate, sites must send at least 2 people as a mentoring champion team (can be more). With the assistance of an NMI mentoring facilitator, the mentoring champion team will work together at the 2-day course and in their organization over the 1-year following the course to apply, embed, and evaluate the evidence-based mentoring practices.

Inclusions:
- Baseline and post-program intervention e-mentoring assessments
- Facilitated quarterly virtual site visits
- On-going coaching by a NMI mentoring facilitator
- Participation and acknowledgement in the research study

Outcomes:
Participants will use the tools learned at the 2-day course together with NMI mentoring support and metrics to engage in a 1-year process of embedding, supporting, and evaluating mentoring practices to build mentoring culture among staff nurses in their workplace.

Requirements:
- Individual registration of at least 2 participants for the site’s mentoring champion team
- Executive nursing letter of support
- Pre-course organizational e-mentoring assessment (completed by site live course participants)
- Completion of paperwork for research study (site agreement and IRB approval)

Enrollment Information
For enrollment paperwork, templates, and details of above, please go to www.rnmentoringinstitute.com and click on “mentoring certificate course” icon.

Questions:
contact Louise Jakubik, PhD, RN-BC, CSP
louise@nursebuilders.net

Site Fee: $3000
Sites wishing to measure more than one target group (i.e. more than one e-mentoring assessment and intervention), will be required to assign a mentoring champion team (2 or more people) for each target group, pay a site fee for each mentoring champion team ($3000), and assure that each team member is registered for the live conference.

Meet the Mentoring Faculty
Louise Jakubik, PhD, RN-BC, CSP
Conference Chair and Faculty

Dr. Louise Jakubik is a nursing career and workforce development expert, who is passionate about mentoring in nursing. She is a master mentor and mentoring researcher. Her research agenda explores mentoring practices and benefits for nurses and their workplaces. She is the author of two nursing research instruments, the Mentoring Practices Inventory and the Mentoring Benefits Inventory. She is dedicated to mentoring nurses and helping organizations to build mentoring cultures in nursing through the use of her evidence-based mentoring model. “Dr. Jakubik serves as the main facilitator.”

Expert Mentoring Faculty to Include (upon availability):
Aris Eliaides, PhD, RN, CNS
Faculty

Dr. Aris Eliaides is the associate director of the Rebecca D. Considine Research Institute at Akron Children’s Hospital. In this role, she assists in developing and executing the research institute’s strategic plan. A published author and reviewer, she mentors nurse investigators in writing successful study proposals, conducting research, developing posters, grant applications, abstracts and manuscripts. As a Director of Nursing Research, she has been instrumental in building the nursing research program at Akron Children’s over the past decade and has conducted studies on mentoring.

Michael Grossman, DM, MSN, RN, NEA-BC, CNML
Faculty

Dr. Michael Grossman’s greatest professional achievement is the people he has mentored. He is a nurse leader with over 40 years of healthcare experience as a clinical specialist, nurse educator, academician, author, manager, director, and consultant. He currently focuses on leadership consulting within the context of interim management roles.

Renee Thompson, DNP, RN, CMSRN
Faculty

Renee is the CEO and President at RTConnections, LLC an organization that educates, connects and inspires current and future nurses. Renee is passionate about building positive and healthy workplaces in healthcare by eliminating nurse-to-nurse bullying and facilitating effective communication and leadership skills. Renee Thompson has more than 23 years of healthcare experience including clinical practice, nursing education, quality management and executive leadership.

About the Nurse Mentoring Institute
Nurse mentoring is currently receiving a great deal of attention as a strategy for developing and retaining valued nursing staff. We believe that nurses are uniquely deserving of the best this type of support can offer! The Nurse Mentoring Institute is committed to furthering state-of-the-art, evidence-based mentoring practice for individuals and organizations.

MISSION
• To prepare, support, and develop nurses and nursing organizations in practice, education and management roles through the art, science, and wonder of mentoring

PURPOSE
• Provide up to date information on mentoring in nursing
• Act as a national forum and voice for nurses in mentoring roles
• Maintain a networking arena and encourage collegial support for nurses in mentoring

Join us for 4 enriching days of mentoring at a resort destination!

This unique program is a transformational journey to building mentoring culture in nursing. It is a deep dive into evidence-based mentoring practices for nurses.

This 2-day workshop will introduce you to the evidence-based mentoring practices that promote individual and organizational mentoring benefits. Mentoring expert, Dr. Louise Jakubik will teach you how to fill in your mentoring gap between your current mentoring state and your desired mentoring state through the use of her evidence-based mentoring model. NMI mentoring facilitators will assist participants in applying evidence-based mentoring practices to the development of unit-based, service line-based, department-based, or organization-wide mentoring initiatives. In this course, you will develop a mentoring action plan to guide your mentoring activities as you work to address your workplace’s mentoring gap.

If you are looking for a single program to ignite and sustain evidence-based mentoring in your healthcare organization...this is it! This continuing nursing education activity was approved by the PA State Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

WE STRONGLY RECOMMEND YOU ATTEND WITH A CO-WORKER AS A MENTORING CHAMPION DYAD. EDUCATOR-MANAGER DYADS ARE ENCOURAGED.

2-DAY AGENDA

TUESDAY, NOVEMBER 4
