

Mentoring Culture Award Nomination Form

Thank you for your interest in nominating a unit or an organization that exemplifies a Mentoring Culture! The Nurse Mentoring Institute (NMI) has developed this award to honor, encourage, and recognize units and organizations who have exhibited the qualities and behaviors in the following definition:

- Mentoring Culture:** A unit or organization that promotes the growth, development, and practice of Nurse Mentoring through the recognition of Nurse Mentoring as a formal function and the existence of unit or organizational infrastructure (job description, budget, plan, etc.) that supports this role. Mentoring cultures are able to demonstrate outcomes related to the benefits of nurse mentoring in their unit or organization.
